FAITH OVERSEAS MISSION

Planting Churches, Preaching Christ

Dr. Daniel Ravana

Pastor, Faith Baptist Church, Rabon
President, G.S.S.T.

Dr. Danny Ravana is a blessing to all who know him and we are so happy for him to give you, in his own words, a brief update on what the Lord is doing through him in these days. True to his humble nature, he has kept the focus off of himself and wants to speak only of the goodness of the Lord in his life. He is devoted to his personal growth in Christ and to serving Him through serving others. Please continue to pray for Dr. Danny, his wife Lorna, and their children J.M. and Skye. Please pray for the Lord to continue His blessing and protection on their lives and ministry. As Dr. Danny often says, "to God be the glory."

In Christ,

Myron& Kim Powell, Andra Powell

First of all I would like to say thank you for this opportunity to share what God is doing in my life and our ministry. Our Bible School operation is still temporarily closed due to health and travel restrictions set by our government. But, it gives me the opportunity to work full time in the church. Its also a big blessing to work with Pastor Rey Silaras as my assistant pastor while waiting for him to continue his pioneering work in Rizal (NCR), as well as with Joy Panelo as music and youth Director. Because of their undying support the church is growing. We have a regular mid-week services, youth activities and a two (2) days home Bible studies. I spend my free time on campus ground and other maintenance works and the rest of my available time is to do clerical works.

Lastly, praying for His will as we re-open our Bible school for this school year 2021-2022 and to extend His blessing to all our churches and protection during this time of uncertainties while working and waiting for His coming.

May the Lord find us faithful.

God bless us all.

Dr. Daniel Ravana
